**The Royal River Hotel Bangkok detail**

Moreover, it is only a short distance from major tourist attractions and various historical landmarks and cultural centres. Its location along the Chao Phraya River will also be convenient to guests wishing to visit the famous "Floating Market", or simply go on a sightseeing cruise. Unlike other riverside hotels located on the eastern bank of the Chao Phraya River, the Royal River Hotel is a luxury on the western, next to Krung Thon Bridge. It's unique position that makes it possible for guests to witness the sunrise over the calm water without disruption from the traffic noise. The Royal River Hotel is also accessible via the Phra Pin Klao Bridge, Rama VIII Bridge, and of course other bridges nearby. The Rama VII Bridge provides easy access to and from the hotel, and the Bangkok International Airport.

👍 one thing i like about the hotel is the view and the size of the room and toilet.security is good.room is clean.breakfast is average only,location is way off unless you have a car to take you around.no action outside the hotel.

👍 I liked the convenience of a a free river shuttle service to the Riverside Shopping Complex. The view to the river was excelent. Sometimes taxi drivers do not always want to take you there from across the city and do not want to use their meters.
