Karona Resort and Spa Phuket detail

Located at the heart of the Andaman Sea, on one of the most perfect spots on Phuket Island. The resort has been designed to bring you the most moderate, cozy and harmony surroundings of the tropical rain forest. Rooms have been decorated with tropical plants and trees where cultivated sculptures would be found at every corner of the landscape. Genuine pieces of ceramic arts are decorated on designed wall to reflect the feels of Living in Green - Living in Gallery scent. With the concept of tropical rain forest, our pools are contrived with 2 levels. The top level started from the pleasant waterfall, which gradually leveled down to the natural rock covered with fern and tropical plants of Southern Thailand. The stream runs down into the large natural pool and sprinkles over the plants. While swimming, you could see the pool depths embellished with floral garden. Moreover, there is waterfall from grand wall with great stream pours down into another pool connected to the CHILLIES restaurant terrace. You can decide on dinning outdoor at pool side with BBQ Party or Buffet Party on a fine evening
