Novotel Suvarnabhumi Airport is convenient, although spendy. Staff, ambiance, rooms all areas superb. The breakfast is very good, although pricey as an add on. As the area is developed may competition will push down prices in the future.

The airport hotel is convenient, although spendy. Staff, ambiance, rooms all areas superb. The breakfast is very good, although it took longer than expected to check in.

Staff friendly and helpful. Only negative thing was I’d booked two non-smoking king rooms. We had to wait and one of the rooms was a smoking room. Also it took longer than expected to check in.
