The staff was very helpful and friendly. Good breakfast. Poor view but location is very close to all the shopping malls. Room was very clean and tidy. The only problem we had was, they gave us a double room instead of a triple room. So one of us had to sleep in a small folding bed which they gave us.

I like the location, it is very convenient for shopping. Booking for tours is also not difficult. The front desk officers are ok. They answer questions when asked and give some tips. I like the massage area, we get to experience real Thai massage.
